ITEMS CONSIDERED

Permanent Easement for Portion of 70-72 Court Street. Request to enter into an agreement for a permanent easement for a portion of 72 Court Street, submitted by 33 State Street Associates. Alan Pope, Andrew Urso and Larry Pasquale attended the meeting held January 15, 2014 to discuss the proposal. The Board reviewed this matter, and concluded that any agreement should be limited to the space required for a stairway, but should not include space for a patio. The Board of Contract and Supply approved a Request for Sealed Bids for 70-72 Court Street at a meeting held on February 12, 2014. Such Request for Sealed Bids includes a restriction stating that the sale would be subject to a permanent easement for pedestrian ingress and egress from a basement stairwell at 92 State Street, but that construction above the stairwell would be permitted. Kenneth J. Frank to discuss the details of the permanent easement with Mr. Pope. Item held.

8 Meadow Street. Offer to purchase 8 Meadow Street for \$100, submitted by Tonya Dakari on December 23, 2013. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on January 2, 2014. Steve Quinn responded on January 3, 2014, stating that this property is one of several properties that the First Ward Action Council is scheduled to purchase and develop under the City's Restore NY grant application and NYS Tax Credit application. Scott Snyder responded on January 3, 2014, confirming that the property is listed as a Restore NY property. Mayor David met with Jerry Willard from First Ward Action Council, who indicated that they are still slated to receive funding for the development of the property. First Ward Action Council should know the outcome within the next few months. Item held pending confirmation of funding for First Ward Action Council.

19 Emma Street. Request to donate 19 Emma Street to the City of Binghamton. Submitted by Staiman Industries, Inc. on May 7, 2014. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement and the Department of Planning, Housing & Community Development on May 7, 2014. Scott Snyder responded on May 21, 2014, stating that he is not in favor of accepting the donation, noting that the City recently auctioned off surplus properties in the City's inventory. Tom Costello responded on May 23, 2014, agreeing with the Assessor's comments. Jennie Skeadas-Sherry responded on May 30, 2014, noting that it is an industrial site, formerly used by a recycling company. She stated that Planning is not in favor of accepting the donation at this time. Ms. Skeadas-Sherry requested a Phase I Environmental Assessment, with the intent to revisit the request to donate the property upon receipt of the results, as Economic Development has expressed interest in the site. E&A referred the matter to Economic Development on June 6, 2014. Ms. Skeadas-Sherry responded on July 2, 2014, stating that the property is within the Endicott-Johnson

Industrial Spine BOA, which is a Broome County project. A review of New York State databases shows that there are no recorded spills on the property, but there is a history of keeping storage tanks on site. No environmental information is available. Item held.

336 Court Street. Offer to purchase a strip of land in front of 336 Court Street in order to erect a sign. Submitted by ScottTech. Mr. Murphy noted that the property is located in New York State Department of Transportation's right-of-way. Mr. Holmes and Mr. Murphy will review this matter to obtain additional clarification. Item held.

Flynn Avenue. A combined offer to purchase Flynn Avenue, received from John W. Young & Associates on behalf of Binghamton Giant Market, Inc. and Vestal Penn Enterprises, Inc. for \$500 per applicant. Sent to the Assessor's Office, the Office of Building Construction, Zoning & Code Enforcement, the Department of Planning, Housing & Community Development, and the Office of Economic Development on June 27, 2014. Thomas Costello responded on July 1, 2014, stating that Flynn Avenue is a paper street, mostly undeveloped except for a small portion, intersecting Vestal Avenue, which was developed with asphalt. Mr. Costello recommends obtaining additional information prior to issuing a recommendation. Jennie Skeadas-Sherry responded on July 2, 2014. The parcel is in a C-4 zoning district, where the minimum lot size is 6,000 SF. The proposal would create three non-conforming lots (5,983 SF / 289 SF / 1,228 SF). Ms. Skeadas-Sherry requested additional information and clarification on the necessity for subdivision and the creation of non-conforming lots. Scott Snyder responded on July 2, 2014, stating that the offer price of \$500 per applicant is low and unacceptable. Mr. Garbarino and Mr. Young attended the meeting on July 16, 2014 and provided clarification on the proposal. Mr. Holmes noted that the City would require an easement for a sewer line which extends into the street, should the sale be approved. Mr. Snyder stated that the fair market value for the property is \$6,200. Mr. Garbarino and Mr. Young will consider the price, and will contact the City if they are interested in pursuing this matter. Ms. Holmes will contact the applicants to determine their interest. Item held.
